

ShipAxis — Investor & Strategic Overview

A non-confidential summary of the ShipAxis ecosystem, prepared for partnership, advisory, and strategic conversations.

Important notice. This document is informational only. It is not an offer to sell or a solicitation of an offer to buy any security, and it contains no financial projections, valuation, or investment advice. Figures and descriptions are subject to change.

What ShipAxis Is

ShipAxis is a multi-carrier shipping platform for consumers, small businesses, and e-commerce merchants. Customers compare live carrier rates, create labels, and track shipments in one place, with pricing that improves automatically as shipping volume grows — no contracts and no renegotiation.

Three Properties, One Ecosystem

Property	Role
www.goshipaxis.com	Marketing and education for B2B, B2C, and retail audiences.
ship.goshipaxis.com	Transactional platform: rate comparison, label creation, tracking, billing.
shipaxis.ai	AI shipping assistant for quoting help, carrier guidance, and support answers.

Who We Serve

- Personal shippers sending a handful of packages each month.
- Small businesses and storefronts building consistent weekly volume.
- E-commerce brands integrating labels and tracking into fulfillment.
- International senders needing customs-ready documentation.
- Established operations with dedicated fulfillment teams.

Membership Model — The More You Ship, The Less You Pay

Tier is set by rolling 30-day shipping spend and upgrades automatically. Each tier lowers the markup applied on top of the live carrier rate.

Tier	Price	Rolling 30-Day Shipping Spend
Free	Free	\$0.00 — \$249.99
Starter	\$9.99/mo	\$250.00 — \$2,499.99
Edge	\$39.00/mo	\$2,500.00 — \$9,999.99
Pro	\$89.00/mo	\$10,000.00 — \$49,999.99
Business	\$249.00/mo	\$50,000.00 — \$149,999.99
Enterprise	Custom	\$150,000.00 and above

Why Customers Switch

- Live multi-carrier rate comparison in a single checkout flow.
- Automatic tier upgrades — savings improve without renegotiation.
- Labels, pickups, and tracking handled in one account.
- AI assistance for quoting, carrier selection, and support questions.
- Transparent markup on top of the live carrier rate.

Retail Shipping Stations

ShipAxis retail shipping stations extend the platform into physical retail environments — a branded, staffed or self-serve touchpoint where walk-in customers weigh, quote, label, and drop off shipments using the same rate engine that powers the online platform.

Areas Of Strategic Interest

Investment	Growth capital and strategic investors.
Partnership	Carrier, marketplace, fulfillment, and technology partners.
Retail Placement	Host locations for ShipAxis shipping stations.
Advisory	Operators and advisors in logistics and e-commerce.

How To Reach Us

Strategic & investor inquiries
